

INA BROADWAY HOLE.

Two Horses Killed and the Cab Driver Badly Hurt.

Citizens, Policemen and Firemen to the Rescue.

Exciting Early Morning Scene in Front of the Barrett House.

A man and two cab horses fell into an excavation before the Barrett House, Forty-third street and Broadway, early this morning. The man was badly hurt, one of the horses died while the rescuers were at work and the other had to be killed. Citizens, policemen and firemen worked for hours trying to get the horses out alive.

The driver of the cab was Henry Reiten, thirty-one years old, of 5th West Forty-second street. He is in the employ of Peter Britte, a livery stable keeper. At 3 o'clock he was driving the cab up Broadway on the east side of the street. A man and a woman were in the cab. Eight in front of the Barrett House, on the same side, an excavation is being made by the Standard Gas Company. It is six feet deep and thirty inches wide. The cab was near the ditch before Reiten noticed it. Then he turned the horse's head towards the west side of the street. Just as he did so a cable car on the upper track came rushing along. The bell clanged and the horses, frightened, reared, plunged, and in an instant were in the excavation.

Reiten was thrown from his seat and fell headlong after the horses. The man was so wedged in that he could not move. His legs were straight up in the air above the surface of the street. The cab was overturned, but the man and woman got out in safety and disappeared.

Patrolman Madden was on the corner of Forty-second street when the accident happened. He and two citizens rushed to the scene. The three grabbed the legs of the driver. It was five minutes before the man was released. Then he was unconscious.

TWO BURIED BY A CAVE-IN.

Quickened Struck While Digging a Sewer at Ann Arbor.

ANN ARBOR, Mich., Jan. 2.—While working in a sewer on Main street, yesterday afternoon, the diggers struck quicksand. The earth caved in immediately, burying Michael Sibley and David Henry beneath twenty-five feet of mud.

Over two hundred men began the work of rescue, but at 10 o'clock last night they had not yet reached the buried laborers. They are dead without doubt.

A CRANK AND A CASH BOX.

An Exciting Morning Scene on the Bowery.

There was an exciting scene on the Bowery, near Canal street, in front of the Consolidated Gas Company's office, at 5 o'clock this morning.

William McDonald, an employee of the Company, left the office, bearing under his arm a tin cash-box containing a lot of old gas-burners.

McDonald started down the Bowery. He was seen accosted by a rough-looking man, who was noticeable on account of his wild, unkempt hair and brilliant eyes. He made a grab for the tin box.

McDonald held on to the box and a struggle ensued. The men fell to the ground, rolling over each other. A crowd gathered, but no one interfered.

McDonald was fast becoming exhausted when relief came in the person of Policeman O'Connell, of the Sixth Precinct. He quickly subdued the man-looking man on the way to the station-house where the prisoner talked wildly.

LAWYER SANDFORD ACCUSED

Charged with Disorderly Conduct, Which He Indignantly Denies.

Lawyer Elliot Sanford, of 101 East Twenty-fifth street, formerly counsel for the Board of Excise, a member of Cannon Hall, and generally well known in public life, was arraigned in the Yorkville Court this morning on a charge of disorderly conduct. The complaint against him was Park Police Higgins.

The charged disorderly conduct occurred, according to Police Higgins, in the man's house in Central Park yesterday afternoon.

Mr. Sanford denied to Justice Voorhees that he was guilty of any wrong-doing.

He said he had communicated with a friend, Police Commissioner Martin, and wished more time to get counsel. His bail, which was furnished by friends, was not taken.

The three men rented apartments on Friday, at the Berkshire, a fashionable apartment house at One Hundred and Twenty-fifth street and Eighth avenue. They placed telegraph instruments, wires and other paraphernalia in the rooms. The "ladies" who were to be housed and who were to be housed in the Western Union race wires from Washington and New Orleans across the roof of the Berkshire.

The police examined the apartment this morning. They found the wires running along the "L" road on Eighth avenue had been tapped.

The three men were held in \$1,000 bail for examination on Saturday.

WHOLE FAMILY POISONED.

Two Found Dead, One Dying and Another Dangerously Ill.

INDEPENDENCE, Kan., Jan. 2.—Al Brown, son-in-law of George W. Read, manager of the Long-Bell Lumber Company, broke into the home of the latter yesterday and found him, clad only in his night clothes, sitting dead in a chair before a hot stove fed by natural gas, his body in an advanced stage of decomposition.

Edith Scott, a domestic of the family, was found dead on the floor of her room, and Mrs. Read and her five-year-old son were discovered in bed, the boy dying and the mother unconscious. Read and the domestic had been dead thirty-six hours. It was first thought that the deaths were due to asphyxiation, but the doctors, after a careful examination, decided that the family had been poisoned by strychnine, which had probably gotten into their food. Mrs. Read is still unconscious, but the doctors have some hope of her recovery, while the boy will probably die.

MISER KING DROPS DEAD.

Was One of the "Six Hundred" and a Union Veteran.

WICHITA, Kan., Jan. 2.—Thomas Payne King, a rich and aged miser, dropped dead on the street here last night. In his youth King was an officer in the British army, and was one of the famous "Six Hundred," or Light Brigade, who made a desperate charge against the Russians. When the war broke out in this country he threw up his sword, reared, plunged, and in an instant was in the excavation.

West 23d Street. MAY POSTPONE CONVENTIONS.

Gov. Flower Extends the Time for the Special Election.

Republicans May Name Quigg from the Fourteenth District.

There may be a change in the Republican programme for the conventions to nominate candidates in the Fourteenth and Fifteenth Congressional Districts, to fill the places in Congress left vacant by the Fitch and Fellows. The primaries in the various Assembly Districts comprising the Congressional Districts to elect delegates to the convention will be held between 2 and 10 P. M. today, and the conventions are called for 10 o'clock this evening.

The conventions may not be held to-night, as Gov. Flower has extended the time for the special elections from Jan. 21 to Jan. 26, which will give both parties more time for work. It is probable that both conventions will be postponed.

There was great indignation expressed because the Governor fixed the first date for the election on Jan. 25, which allowed only twenty days for arranging primaries.

It has not been definitely settled whether Tammany Hall will issue a call for primaries or have the delegates selected by the District Committees. The matter will be decided to-night.

Now that the Republicans have gained time to make a campaign they will likely select some national politics into the campaign. With that purpose in view, the Republican party is making a candidate, a man with a national reputation, is desirable, and they may make the selection of the Twenty-first Assembly District, as G. H. Horace Porter may be nominated in the Fourteenth District.

If the Republicans will give their support in their favor in such a Democratic stronghold, they think they could play a trick with it in Congress and influence tariff legislation.

The scholars have discussed among Republican leaders. The leaders, it is said, rely on the discontent among the working classes to change the first date for the election on Jan. 25, which allowed only twenty days for arranging primaries.
